| 3 |  |
|   | I love how Prof Dixon uses a PowerPoint to guide the class about the reading, it is really helpful to understand the readings. |
|   | In the beginning of the class, I liked how we did thought-experiments and I wished we continued that throughout the rest of    |
| 4 | the class because those were enjoyable and optimized class participation as well.  |
|   | I would advise my instructor to retain the entire structure of the course. It was helpful and conducive to learning the        |
| 5 | material and he always gave in depth and clear explanations of complicated texts and authors.                                  |
